

Cable Assembly

Any connector with cable affixment capability can be provided as an assembly with the cable specified by the customer.

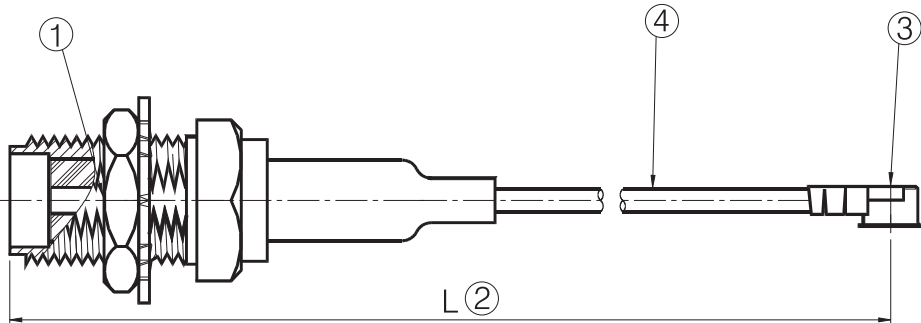

Standard RG-8/U, 58/U, 59B/U, 174/U, 316/U and many other are available within the appropriate connector series, as well as custom design assistance for cellular, mobile and network communication.

To meet the smaller size request in modern electronics devices, Co-Wave can offer the smaller size cable assembly for 0.8mm, 1.13mm, 1.32mm and 1.47 mm miniature size cable with lower profile connector.
